From M32

At the end of the M32 (T-junction), turn right into Bond Street and take the first exit off the roundabout into Haymarket. Travel down past the Broadmead landmark on your left and the Rupert Street NCP Car Park is 200 metres further on your right. Immediately after the NCP, there is a slip road to the right which brings you directly onto Lewins Mead.

Robert Half International is located in Whitefriars (glassbottomed, white building), immediately on your left.
