From M62

At the end of the M62 follow signs for the city centre, go under the flyover onto the A5080 Edge Lane and continue to the end. At the end of Edge Lane, turn left into Towerlands and move into the right hand lane. Continue down the hill onto London Road and turn right after the Odeon Cinema onto Commutation Row. Move into the left hand lane and turn left onto Churchill Way Flyover. This brings you onto Dale Street which you will continue down through to Water Street where at the bottom you will turn left and then immediately right where you will loop around via St Nicholas Place onto Chapel Street. The Old Church Yard is on your right hand side opposite the Thistle Hotel.

From Wallasey Tunnel and M53:

On leaving the Wallasey Tunnel, move into right hand lane into the main stream of traffic and turn immediately right at the next junction onto Leeds Street. At the end of Leeds Street the road bends to the left onto New Quay where you will continue along this road until you pass the Crown Plaza on your right hand side. When you are in front of the Liver Building turn right and loop back via St Nicholas Place onto Chapel Street. The Old Church Yard is on your right hand side opposite the Thistle Hotel.
